

# Russian Roulette

Jelly Roll

I know I need to change my ways  
Keep doing the same old thing  
Mama told me she gon' pray  
Told her I may never change

(Livin' life, life, life)

Russian Roulette without it matter  
Russian Roulette without it matter  
Russian Roulette without it matter  
And now it matter  
And now I'm mad

I'm damned if I do  
And damned if I don't  
If I tell 'em that I will they'll say that I won't  
This is an experience  
Show you what my life like  
Bottom of the ninth  
And I'm just tryna get my life right

Came from the top to the bottom below  
Told me with more money that the problems would grow  
Told me that it wasn't possible  
Said it wasn't probable  
Had so many obstacles  
Had to call an audible

I finally got to see a game from a box seat  
But I ain't say a lot because talk's cheap  
I had to take a step back and tell 'em "Not me!"  
You can do what you want but you can't knock me

I know I need to change my ways  
Keep doing the same old thing  
Mama told me she gon' pray  
Told her I may never change

(Livin' life, life, life)

And now I'm mad

Dear White trash America  
I promise to make us proud  
I promise to get back up every time they push me down  
Life is wound, up and down  
It feels like a rollercoaster  
So you can hold on tight and just hope it's over  
Or embrace it, and live in the moment  
No matter what you do  
Baby don't lose focus  
I'm hoping that this shit blows  
And leave this shithole

And no longer live my life inside a fishbowl

Dreams turn to reality  
When you live in them  
I woke up one day and it was big business  
Room full of snakes, fucking phonies, and fakes  
My character's unwaved 'cause that's the way I was raised

I know I need to change my ways  
Keep doing the same old thing  
Mama told me she gon' pray  
Told her I may never change

(Livin' life, life, life)
