

# When I Get Rich

Jelly Roll

Yeah, Yeah (Ha ha ha ha ha)  
Yeah (Tell 'em!)  
Yeah (How's you mammy and them?)  
When I get rich I'ma still act broke  
Wake up and put on yesterday's clothes  
Walk outside and prolly bum me a smoke  
When I get rich (Hold up)

When I get rich I'ma still act broke (Come On)  
Wake up and put on yesterday's clothes (Let go)  
Walk outside and bum me a smoke  
When I get rich I'ma still act broke  
I'ma still act broke (You know it)  
I'ma still act broke  
I'ma still act broke  
Yeah, I'ma still act broke

Eyes bloodshot, they knowin' that I'm stoned  
When I make it I prolly get kicked outta award shows  
Then I'll hit the bar bouncin', spend a couple thousand  
Get real drunk and start a fight with a bouncer  
Real white trash, 350 pounder  
Hit the restaurant and order fresh fish flounder  
With a good girl, I mean a classy woman  
Half way through tell her I prefer a nasty woman  
Man I'm an outlaw, in every sense of the word  
You can tell I'm not from around here 'cause I talk with a slur  
I love freaky girls, yeah that's just my style  
One that'll get up in this truck and go up and down (Come on)

When I get rich I'ma still act broke (Come on)  
Wake up and put on yesterday's clothes (Let go)  
Walk outside and bum me a smoke  
When I get rich I'ma still act broke (Whatcha gonna do?)  
I'ma still act broke  
I'ma still act broke  
I'ma still act broke  
Yeah, I'ma still act broke

It's gon' be crazy, when we finally get famous  
We gon' break guitars and we gon' jump off stages  
We gon' cuss in interviews on the radio station  
We gon' get on TV and fuckin' act outrageous  
Man I swear, there ain't nothin' changin' over here on Sunset  
Waders down, crankin', drinkin' me a beer  
I represent the ones that ain't never had shit  
In the middle class, we hate them upper class pricks  
So when I get rich I'ma still act broke  
And step outside and fire up that dope  
It's really who I am baby, I can't help it (I can't)  
Been known to drank that Hank and smoke Willie Nelson

When I get rich I'ma still act broke (I am)  
Wake up and put on yesterday's clothes  
Walk outside and bum me a smoke (You know it)  
When I get rich I'ma still act broke (Whatcha gonna do?)  
I'ma still act broke (Whatcha gonna do?)

I'ma still act broke (Whatcha gonna do?)  
I'ma still act broke (Whatcha gonna do?)  
Yeah, I'ma still act broke

When I get rich I'ma still act broke  
Wake up in the mornin' put on yesterday's clothes  
Walk outside and fire up that dope  
When I get rich, ha ha ha ha
