

Been given 24 hours  
To tie up loose ends  
To make amends  
His eyes said it all  
I started to fall  
And the silence deafened  
Head spinning round  
No time to sit down  
Just wanted to  
Run and run and run  
Be careful they say  
Don't wish life away,  
Now I've one day

And I can't believe  
How I've been wasting my time

In 24 hours they'll be  
Laying flowers  
On my life, it's over tonight  
I'm not messing no I  
Need your blessing  
And your promise to live free  
Please do it for me

Is there a heaven a hell  
And will I come back  
Who can tell  
Now I can see  
What matters to me  
It's as clear as crystal  
The places I've been  
The people I've seen  
Plans that I made  
Start to fade  
The sun's setting gold  
Thought I would grow old,  
It wasn't to be

And I can't believe  
How I've been wasting my time

In 18 hours they'll be  
Laying flowers  
On my life, it's over tonight  
I'm not messing no I  
Need your blessing  
And your promise to live free  
Please do it for me

In 13 hours they'll be  
Laying flowers  
On my life, it's over tonight  
I'm not messing no I  
Need your blessing  
And your promise to live free  
Please do it for me

I'm not alone, I sense it, I sense it  
All that I said, I meant it, I meant it

And I can't believe  
How much I've wasted my time

In just 8 hours they'll be  
Laying flowers  
On my life, it's over tonight  
I'm not messing no I  
Need your blessing  
And your promise to live free  
Please do it for me

In just 1 hour they'll be  
Laying flowers  
On my life, it's over tonight  
I'm not messing no I  
Need your blessing  
And your promise to live free  
Please do it for me
