

It's Amazing

Jem

Do it now
You know who you are
You feel it in your heart
And you're burning with ambition

At first, wait,
Won't get it on a plate
You're gonna have to work for it harder and harder

And I know
'cause I've been there before
Knocking on the doors with rejection (rejection)
And you'll see
'cause if it's meant to be
Nothing can compare to deserving your dream

It's amazing,
It's amazing all that you can do
It's amazing,
Makes my heart sing
Now it's up to you

Patience, now, frustration's in the air
And people who don't care
Well, it's gonna get you down

And you'll fall (fall)
Yes, you will hit a wall
But get back on your feet
And you'll be stronger and smarter

And I know
'cause I've been there before
Knockin' down the doors,
Won't take "No" for an answer
And you'll see
'cause if it's meant to be
Nothing can compare to deserving your dream

It's amazing,
It's amazing all that you can do
It's amazing,
Makes my heart sing
Now it's up to you

Oh-oh-oh

Don't be embarrassed, don't be afraid
Don't let your dreams slip away
It's determination and using your gift
Everybody has a gift
Never give up, never let it die
Trust your instincts and most importantly
You've got nothing to lose
So just go for it

It's amazing,

It's amazing all that you can do
It's amazing,
Makes my heart sing
Now it's up to you
(2x)

Ah-ah-ah
