

Love Trigger

Jem

Lock and load so lets go hey
think i fell in love on the floor hey

I'm dangerous i didn't know hey

and cant survive on one kiss
bang bang my baby don't miss
SOS i think i got hit

My feet are leaving off the ground
- I'm leaving, I'm leaving
Oh, boy you turn me upside down
- I'm turning, I'm turning
My head is spinning round'n'round
- I'm spinning, I'm spinning
You pull the trigger and I'm down
- The trigger, go figure

I wanna know, what do you want
You wanna steal my treasure, my heart?
You're gonna leave me empty inside?
I just know what you are,
know what you are,
I know you're a
- You are, you are, you're a
