

Silly Thing

Jem

I'm in love with you, you silly thing
Why can't you see?
What is it with you, you silly thing
Just take it from me
It was not a chance meeting
Feel my heart beating
You're the one

Nothing fails
No more fears
Nothing fails

You could take all this, take it away
And I'd still have it all
Because I've got my standing stone
I'm not alone
No longer scared if I fall

When I get lost in space
I can return to base
Cause, you're the one

Nothing fails
No more fears
Nothing fails
No more fears

I'm not religious
But I feel so moved
Makes me wanna pray
Pray you'll always be here
I'm not religious
But I feel such love
Makes me wanna pray
Pray you'll always be here

I'm not religious
But my heart is moved
Makes me wanna pray
Pray you'll always be here
I'm not religious (Nothing fails)
But I feel such love (No more fears)
Nothing fails (Makes me wanna pray)
Pray you'll always be here (No more fears)
Pray you'll always be here
(Makes me wanna pray, pray you'll always be here)
(I'm not religious, but I feel such love)
(Makes me wanna pray, pray you'll always be here)
I'm in love with you
