

All that I try, to give up love, I try to do all that I can  
Know that you cannot be right  
Never enough for your love  
No, we don't know where we go from here

All that I try, to give up love, I try to do all that I can  
Know that you cannot be right  
Never enough for your love  
No, we don't know where we go from here

All hell breaks loose, your baby's on the run  
Chalk outlines replacing the life that once was  
Where do we go? Where do we go? Where do we go?  
Where do we go? Where do we go? Where do we go?

All that I try, to give up love, I try to do all that I can  
Know that you cannot be right  
Never enough for your love  
No, we don't know where we go from here
