Oh, yeah
Oh, yeah

Borderline out my mind again
I need to run
You know that's it's all right
You know that's it's all right
Borderline out my mind again
I need you, baby
You know that's it's all right
You know that's it's all right

I can't help but wonder
Why I feel this way
I don't live my life for you
Listen what I'm telling you

We don't talk or think the same
I don't care anymore
Any time, any place
In my mind, I've seen it all
We don't talk or think the same
I don't care anymore
Any time, any place
In my mind, I've seen it all

Borderline out my mind again (Out my mind again)
I need you, baby
Know that's it's all right (Know that's it's all right)
You know that's it's all right

I can't help but wonder
Why you feel this way (I can't help but wonder)
I don't live my life for you (Oh, no-no-no)
Do you ever wonder
Why you feel this way (I can't help but wonder)
Boy, they got a hold on you (Got a hold on you)

We don't talk or think the same
I don't care anymore
Any time, any place
In my mind, I've seen it all
We don't talk or think the same
I don't care anymore
Any time, any place
In my mind, I've seen it all

We don't talk
We don't talk
We don't talk
Na-na-na, na-na, na-na-na
Na-na-na, na-na, na-na-na
Na-na-na, na-na, na-na-na
