

Flight Risk

Jenevieve

Don't mess with my ice game unless you want trouble
Ooh-yeah
If you throw a fit, bitch, yeah, I got a muzzle
Ooh-yeah
Might dip, I'm a flight risk, oh-whoa
Ooh-yeah
The way you move, baby, need a body double
Ooh-yeah

They say they know, but they don't know, now you know that's not it
You struck a plea, but not with me, baby, you should know I got it
Kick the gossip, what's wrong with you?
Can't get along with you

Don't mess with my ice game unless you want trouble
Ooh-yeah
If you throw a fit, bitch, yeah, I got a muzzle
Ooh-yeah
Might dip, I'm a flight risk, oh-whoa
Ooh-yeah
The way you move, baby, need a body double
Ooh-yeah

Bubblegoose, bulletproof, tinted frames, baby, walk the line
Suspicious minds can't contain, maybe fame isn't worth the time
Ah-ah-ah-ah
Ooh-yeah

Give your enemies enough slack, and they'll hang themselves
Off the pedestals they sit on while they play themselves
Cruel world, baby, it's a toxic wasteland
Sippin' new world water, sippin' on that water

Don't mess with my ice game unless you want trouble
Ooh-yeah
If you throw a fit, bitch, yeah, I got a muzzle
Ooh-yeah
Might dip, I'm a flight risk, oh-whoa
Ooh-yeah
The way you move, baby, need a body double
Ooh-yeah

Don't mess with my ice game unless you want trouble
Ooh-yeah
If you throw a fit, bitch, yeah, I got a muzzle
Ooh-yeah
Might dip, I'm a flight risk, oh-whoa
