

# Hvn High

Jenevieve

Ooh-ooh  
I've been loving you all my life  
And I know you love me too  
Ooh-ooh  
I know you, baby  
Tonight, tonight's the night we go crazy

Ready or not  
Baby, let's roll  
We got ways to go

In the night we do our thing  
On the level we keep going up  
We're going up  
Baby, pull up in that thing  
I just love the way you lift me up  
Baby, lift me up

Keep working me  
That's that shit that works for me  
Ah, so heavenly  
It's so h-e-avenly  
Keep working me  
That's that shit that works for me  
Ah, so heavenly  
It's so h-e-avenly

Ooh-ooh  
I'm so into you  
You're my type  
And I-I-I, yeah  
I'm telling you  
I wanna stay high like heaven (Heaven high)  
Oh, baby (Staying alive)  
Oh, yeah (Tonight is the night)  
Ooh, baby (Won't leave you behind)

Ready or not (Come on)  
Baby, let's roll  
Baby, let's roll  
We got ways to go

In the night we do our thing  
On the level we keep going up  
We're going up  
Baby, pull up in that thing  
I just love the way you lift me up  
Baby, lift me up

Keep working me  
That's that shit that works for me  
Ah, so heavenly  
It's so h-e-avenly  
Keep working me  
That's that shit that works for me  
Ah, so heavenly  
It's so h-e-avenly

Keep working me  
That's that shit that works for me  
Ah, so heavenly  
It's so h-e-avenly
