

Medallion

Jenevieve

Medallion, hmm-mm
Ah, ah-ah, ah-ah
Medallion, hmm-mm
Medallion, hmm-mm

Bullets came flying through my window
I was in your shadow tryna to escape
We moved to the country, the city got ugly
And we thought we were safe, we made our escape

Medallion, hmm-mm
Ah, ah-ah, ah-ah
Medallion, hmm-mm
Medallion, hmm-mm

Settle your debt, settle down
It's only us, looking for peace
The bitch-goddess on a short leash for good, while

Bullets came flying through my window
I was in your shadow tryna to escape
We moved to the country, the city got ugly
And we thought we were safe, we made our escape

Medallion, hmm-mm
Ah, ah-ah, ah-ah (Bet you thought you were safe)
Medallion, hmm-mm
Medallion, hmm-mm
Medallion, hmm-mm
Ah, ah-ah, ah-ah (Bet you thought you were safe)
Medallion, hmm-mm
Medallion, hmm-mm

Bullets came flying
Ah, ah-ah, ah-ah (Bet you thought you were safe)
Medallion, hmm-mm
Medallion, hmm-mm
Bullets came flying
Ah, ah-ah, ah-ah (Bet you thought you were safe)
