

Naive

Jenevieve

Yeah, yeah

It's been so long since I've been me
Been feeling off
It took a while but now I see
What you really are

Give my eyes back to me
Enter my fever dream
Don't be so, so naive
To be real

I'm not yours tonight
Can't take me home tonight
It's too late, I won't change my mind
It's funny, you're still trying
Baby, you're so, so naive

It's been so long since I've been free
Location off
What you want, want from me?
You're getting nothing at all

Give my eyes back to me
Enter my fever dream
Don't be so, so naive
Got to be real

I'm not yours tonight
Can't take me home tonight
It's too late, I won't change my mind
It's funny, you're still trying
Baby, you're so, so naive

Take off all your make-up
Be raw for me
Sick of these lies
Sick of these lies

I'm not yours tonight
Can't take me home tonight
It's too late, I won't change my mind
It's funny, you're still trying
Baby, you're so, so naive

I'm not yours tonight
Can't take me home tonight
It's too late, I won't change my mind
It's funny, you're still trying
Baby, you're so, so naive

Drinking Evian tonight
Let me clear my mind
Heard it a thousand times
Know what you're thinking
Can't take me home tonight
I won't change my mind

Heard it a thousand times
Baby, keep sippin'
