

Walking down the longest road
Don't know if I'll make it, oh no (Oh, no)
And the sky is on fire raining Hell on me
But I feel like I'm ready for anything
Look me in my eyes
You see a girl with no disguise, I'm on my own (I'm on my own)
Thinking 'bout everything that I lost
In the fire I'm not tired I'm all alive, oh

If you got nowhere to go tonight
I'll meet you there
I'll meet you there, I'll meet you there
I'll meet you there
I'll meet you there, I'll meet you there
If you got nowhere to go tonight
I'll meet you there
I'll meet you there, I'll meet you there
I'll meet you there
I'll meet you there, I'll meet you there

Understand, baby understand
They don't know the half of it
They'll never understand
Woke up feeling damned
Break me like a dam
Ride into Atlantis
I said, "Catch me if you can" (Catch me if you can)
Pull up in a Lotus '89 doves cry
Pretty women you can get it all if you like
Over only if you say it's over
Crawling out the backseat of my (Backseat of my)

If you got nowhere to go tonight
I'll meet you there
I'll meet you there, I'll meet you there
I'll meet you there
I'll meet you there, I'll meet you there
If you got nowhere to go tonight
I'll meet you there
I'll meet you there, I'll meet you there
I'll meet you there
I'll meet you there, I'll meet you there

I'll meet you there
I'll meet you there
If you got nowhere to go tonight
I'll meet you there
I'll meet you there
