

Résumé

Jenevieve

I just sort of need it
Left my heart open for reading
You take off without knowing
It just wasn't as potent
I fell between the seasons
You left me without leaving
Chalk outline yeah I'm stalling
I never finished grieving
I know why you been falling
For someone else's someone

I wanna talk to you
But there's no more to say
I try to hide it
But it follows everyday
No matter what I do
I'm on your resume
I'm on your resume

I wanna talk to you
But there's no more to say
I try to hide it
But it follows everyday
No matter what I do
I'm on your resume

We had such plans
They went so blue
Nobody didn't know
All this sin in my head
He thought yes
But all I did was say no
You not gonna see me in no angry pose
I'ma always rep Southside baby
I'm not down the block anymore I'm ghost
This might be my last reminisce but

I just sort of need it
But my heart is so defeated
I felt so unimportant
And you don't even know it
I fell between the seasons
You say it without meaning
Chalk outline yeah I've fallen
It's still hard to believe it
I know why you've been falling
For someone else's someone

I wanna talk to you
But there's no more to say
I try to hide it
But it follows everyday
No matter what I do
I'm on your resume
I'm on your resume

I wanna talk to you

But there's no more to say
I try to hide it
But it follows everyday
No matter what I do
I'm on your resume
I'm on your resume
