

Reverse

Jenn Carter

Ayo sheik go switch that gear
Issa opp on feet put that V in reverse
Peep the V and that nigga dispersed
If that boy a stain he get put ona shirt
Want me a bitch but I don't wanna die
They see money start setting the drop
But if she down to ride she gon stay by my side
I get home and start puttin in work

Like this shit an assignment go berzerk
Spot me a dummy get turned to a mummy
He start running back like he doin the jerk
She a ooter the gun in her skirt
I cannot pick what Amiris to wear
So I might bag a bitch ina tech
Been getting money these niggas upset
Like that I don't gotta live off a check
I told Izzy to roll up the za
And if I'm feeling dizzy I start movin hot
Said he tryna be sumn he not
He ina sky so I aim for the top
I'm really carter
Spent 5 when I got to the bucks
But this shit do not feel like enough
Pass it to kr the gun in her what damn
C-can't lack feeling too famous
My knocks keep it adjacent like
What the fuck is you saying?
If he think we playin brodie get to spraying
Off the liquor don't know how to act
Like a cheetah I'm quick to attack
I could tell she a brat
Pocket rocket I cannot what

Ayo sheik go switch that gear
Issa opp on feet put that V in reverse
Peep the V and that nigga dispersed
If that boy a stain he get put ona shirt
Want me a bitch but I don't wanna die
They see money start setting the drop
But if she down to ride she gon stay by my side
I get home and start puttin in work

I put the v in reverse
His ass is grass like turf
I put the d in her first
Pussy so wet I surf
My shit stay sharp so hoes can't line me
It a never work like Tommy
Don't get body ody odyed
On the radar so you know where to find me
Ayo reverse that V
Put holes in his shirt just like swizz cheese
Young nigga not even 6 ft
But you test me be 6ft deep
Red beam on his face like chicken pox
Bodies be moving and shakin like TikTok

Don't really trust dem V's cause Big & Pac
Throws shot we send that like Kai

Ayo sheik go switch that gear
Issa opp on feet put that V in reverse
Peep the V and that nigga dispersed
If that boy a stain he get put ona shirt
Want me a bitch but I don't wanna die
They see money start setting the drop
But if she down to ride she gon stay by my side
I get home and start puttin in work
