

Fun Dip

Jenna Davis

If he hates what you wear, mister "dress too tight"
And he's scared when your friends keep you out at night
If it's all rain
Well, that's a shame
If he gaslights and manipulates
And he's trying to dim that dream you chase
If it's all pain
It ain't gotta be that way

If it ain't fun, dip as fast as you can
'Cause, girl, that boy ain't a gentleman
If he ain't the one, skip to the next song
You don't gotta replay it all night long
If you've had enough, mascara, drink
Slip out if you're over it
Go on and run quick
If it ain't fun, dip

If he's insecure or a big cheapskate
If he can't compliment or communicate
If he can't take a joke, can't take the blame
Can't be alone and starts with a J
Take it from me, I've been there too
I've walked out in the same shoes

If it ain't fun, dip as fast as you can
'Cause, girl, that boy ain't a gentleman
If he ain't the one, skip to the next song
You don't gotta replay it all night long
If you've had enough, mascara, drink
Slip out if you're over it
Go on and run quick
If it ain't fun, dip

If it ain't fun, dip
If it ain't fun

Say RIP, you're dead to me
You'll be fine, I guarantee
Say RIP, you're dead to me
Walk out in one, two, three

If it ain't fun, dip as fast as you can
'Cause, girl, that boy ain't a gentleman
If he ain't the one, skip to the next song
You don't gotta replay it all night long
If you've had enough, mascara, drink
Slip out if you're over it
Go on and run quick
If it ain't fun, dip

(RIP, you're dead to me)
If it ain't fun, dip
(RIP, you're dead to me)
If it ain't fun, dip
