

# F.T.S.

Jennie

Maybe it's time to take a leap of faith  
And come to my senses and take my shirt off in the rain  
Strike a fuckin' match of love and desire and warm my hands up in the  
flame

Whatever happened to freedom and honesty?  
What matters to you, you, you  
It's not that deep to me

Fuck that shit  
Ah, yeah  
Flip the script  
Ah, yeah  
Inside of me  
Ah, ooh, ooh, ooh, ooh, ooh  
Fuck that shit  
I am  
Over it  
Ah, yeah  
Off the grid  
Ah, ooh, ooh, ooh, ooh, ooh (Fuck that shit)

I'm in love  
You're on games  
Switchin' up  
Switchin' lanes  
Won't fight the urge, I'll go insane  
I'll say what I want if that shit's true  
True  
Ah, yeah  
If that shit's true  
If that shit's true

Whatever happened to freedom and honesty?  
What matters to you, you, you  
It's not that deep to me

Fuck that shit  
Ah, yeah  
Flip the script  
Ah, yeah  
Inside of me  
Ah, ooh, ooh, ooh, ooh, ooh  
Fuck that shit  
I am  
Over it  
Ah, yeah  
Off the grid  
Ah, ooh, ooh, ooh, ooh, ooh (Fuck that shit)
