

Handlebars

Jennie

I trip and fall in love
Just like a Tuesday drunk
I always go
All in, all in, all in
Over the handlebars
Hitting the ground so hard
If I'm alone fallin', fallin', fallin'
We ain't gotta talk about it

Mercy
Why is it love is never kind to me
I heard that fools rush in and yeah that's me
It burns me time and time again
So why am I still fixing for this frying pan, thinkin'

I wonder what you're doin' for tonight and forever
I could be the rest of your life or whatever
My lips and your lips
We could press them together
I don't ever think twice
And baby that's why

I trip and fall in love
Just like a Tuesday drunk
I always go
All in, all in, all in
Over the handlebars
Hitting the ground so hard
If I'm alone fallin', fallin', fallin'

Another round another drink
I try to stop but I can't think about anything else but you
And I'm a little too buzzed on your love to play it cute
A single kiss I lost my mind for seven days and seven nights
Can't eat sleep baby it's true
Tryna bite my lip
I'm probably gonna slip and say some crazy shit to you

I wonder what you're doin' for tonight and forever
I don't ever think twice
And baby that's why

I trip and fall in love
Just like a Tuesday drunk
I always go
All in, all in, all in
Over the handlebars
Hitting the ground so hard
If I'm alone fallin', fallin', fallin'
We ain't gotta talk about it
Na na na na na na na
We ain't gotta talk about it
Na na na na na na na
We ain't gotta talk about it
