

# ZEN

Jennie

I tell 'em, "Down, now"  
On the energy, yes  
I ain't what you think about me  
Cross me, please  
I'ma keep it Z, Zen  
Present, bless  
Money can't buy sixth sense

Bad bitch case, sum make me badder  
Fire aura, quiet chatter  
Shoot, shoot, shoot, I make them scatter  
They can't move my matter

Nobody gon' move my soul, gon' move my aura, my matter  
Nobody gon' move my life, gon' touch my goal, my matter  
Nobody gon', all this power make them scatter  
No, nobody gon' touch my soul, gon' match my glow, like, I dare you (Hey)

(Ah, ah) Shape me  
(Ah, ah) Hey

Thick skin layer like chains on chains on chains  
Wear the pressure on my neck and rings  
Rain, midnight bloom  
In the dark, I grew

Shoot, shoot, shoot, shoot, shoot, shoot (Freeze)  
Shoot, shoot, shoot, shoot, shoot, shoot (Bling)  
Shoot, shoot, shoot, shoot, shoot, shoot (One hundred, one hundred)  
Ten  
Shoot, shoot, shoot, shoot (One hundred)  
Money cannot buy no real friends

Baddest, they can't make me badder  
Fire aura, quiet chatter  
Shoot, shoot, shoot, I make them scatter  
They can't move my matter

Nobody gon' move my soul, gon' move my aura, my matter  
Nobody gon' move my life, gon' touch my goal, my matter  
Nobody gon', all this power make them scatter  
No, nobody gon' touch my soul, gon' match my glow, like, I dare you (Hey)

(Ah, ah) Shape me  
(Ah, ah) Hey  
(Ah, ah)  
(Ah, ah) Can't be two of one
