

So Much More

Jennifer Chung

Is it already time
The time to say goodbye?
Will I ever get a chance
To relieve the royal nights?

When can I call you
And see you again?
And if I call you
Can I call you a friend?

No, you are so much more
You are so much more

Will you remember me
Like I'll remember you?
From the colors of the world
Can't help, but feeling blue

When can I call you
And see you again?
And if I call you
Does it mean that it's the end?

No, this is so much more
This is so much more

Lifelong memories, the jokes, awkward moments
In my own heart, and yours too
Hope we hold them

Everything I've learned will continue to live in me
To spread all the love, wisdom, truth, is inevitably to happen
Inevitably to happen

So when we go on our separate ways
Will we forget all those beautiful days?

No, this was so much more
This was so much more
