

No One Gonna Love You

Jennifer Hudson

Aha! Hmmm! Hmm

I, I, I, I've been through some things,
Please don't hold that against me,
Can't nobody love you like I'm gonna love you
Can't nobody love you like I'm gonna love you
Even though I, I, I still can feel a sting,
No need to second guess me,
Can't nobody love you like I'm gonna love you
Can't nobody love you like I'm gonna love you

See I, I, I, I, I don't mind you
Putting up a little bit of fight, it's alright,
But why run from what's gonna hold you tight
Through any complications, baby, maybe we can start tonight!

I saw the burning that you gave me
Don't care what your ex do,
Ain't nobody love you like I'm gonna love you!
Ain't no one gonna love you, like I'm gonna love you!
And if you dare, don't dare,
Send me straight to voice mail,
Baby I'm just gonna text you,
Hope it ain't no issue, I just gotta let you
Know no one to love you like I'm gonna love you!

See I, I, I, I, I don't mind you
Putting up a little bit of fight, it's alright,
But why run from what's gonna hold you tight
Through any complications, baby, maybe we can start tonight!

Oh, oh, oh!
I could put on everything!
Ain't no one, no, no,
Ain't no one, no, no,
Show you what I could!
Somebody better told you!
Baby, your name's sprung up in every heartbeat!
Ain't no one, no, no,
Ain't no one, no, no,
Show you what I could!

But if you should go down that same road,
You've been before,
You're in reverse, your pain for her, just push yourself for love
But don't you know that you could just let it go?
Don't you know
I, I, I, I've been through some things,
Please don't hold that against me,
Can't nobody love you like I'm gonna love you
Can't nobody love you like I'm gonna love you
Don't you know I, I, I, I, I'm making you this promise,
Catchin' all the rosary
Ain't no one gonna love you, like I'm gonna love you!
Ain't no one gonna love you, like I'm gonna love you!
Oh, oh, oh, oh!
