

Think

Jennifer Hudson

You'd better think (Think)
Think about what you're trying to do to me
Think (Think, think)
Let your mind go, let yourself be free

Let's go back, let's go back
Let's go way back when
I didn't even know you
You couldn't've been too much more than ten (Just a child)

I ain't no psychiatrist
I ain't no doctor with degrees
But it don't take too much I.Q.
To see what you're doing to me

You'd better think (Think)
Think about what you're trying to do to me
Think (Think, think)
Let your mind go, let yourself be free

Oh freedom (Freedom)
Freedom (Freedom)
Freedom
Freedom

Freedom
Freedom
Freedom

Hey, think about it
You think about it

There ain't nothing you could ask, I could ask you if I want (But I won't)
I was gonna change but I'm not 'cause you keep doing things I don't

You'd better think (Think)
Think about what you're trying to do to me
Yeah, I said think (Think)
Let your mind go, let yourself be free

See you need me (Need me)
And I need you (Don't you know it)
Without each other, there ain't nothing we can do

Think, think about it right now (What you're trying to do to me)
(Think about it)
You better think
