

Fall Down

Jennifer Knapp

Judge Me Not Ye Saints
For My History May Be Tainted
But I'm Sober Enough To Know Blood When I See It
I've Borne My Share Of Stones
Most Of Them Easily Thrown
But Who's To Deny
Your Water-Shed Side
Leading Me Home?

CHORUS:

What Am I Supposed To Do About It Now?
Past Regrets And Long Laments, They Find Me Somehow
O, What Am I Supposed To Do About It Now?
What Have I To Do But Fall Down?

To Spy From Far Away
May Seem That I'm One To Betray
But O, How I Try
The Spirit To Guide
The Promise You Made

CHORUS

Hold Me Up
Never Let Me Go
Love Me When I Am Broken
And Speak To Me

CHORUS
