

Ain't It Funny

Jennifer Lopez

Estoy loca enamorada de ti

- Ami** **F** **G** **C**
1. It seemed to be like the perfect thing for you and me
Ami **F** **G** **C**
It's so ironic you're what I had pictured you to be
But there are facts in our lives we can never change
E
Just tell me that you understand and feel the same
This perfect romance that I've created in my mind
I'd live a thousand lives each one with you right by my side
But yet we find ourselves in a less than perfect circumstance
E
And so it seems like we'll never have the chance

- Ami** **F**
R: Ain't it funny how some feelings you just can't deny
E **Ami**
And you can't move on even though you try
Ami **F**
Ain't it strange when you're feeling things you shouldn't feel
E
Oh I wish this could be real
Ami **F**
Ain't it funny how a moment could just change your life
E **Ami**
And you don't want to face what's wrong or right
F
Ain't it strange how fate can play a part
E
In the story of your heart

2. Sometimes I think that a true love can never be
I just believe that somehow it wasn't meant to me
Life can be cruel in a way that I can't explain
And I don't think that I could face it all again
I barely know you but somehow I know what you're about
A deeper love I've found in you, and I no longer doubt
You've touched my heart and it altered every plan I've made
And now I feel that I don't have to be afraid

R: Ain't it funny how some feelings...

- F** **E**
*: I locked away my heart
Ami **E**
But you just set it free
Emotions I felt held me back from what my life should be
I pushed you far away
And yet you stayed with me
I guess this means
That you and me were meant to be

R: Ain't it funny how some feelings...
