

Can't Get Enough

Jennifer Lopez

I just wanna
I just feel like, ooh
Every time I see ya
I just, ooh, hey

I feel like startin' something
You got my engine runnin'
You got the keys to turn me on and on
You got me acceleratin'
I want to celebrate it
Can't nothing take me out my zone
It's on

When it feels right
Nothing else matters
Is this real life?
Too good to be true
Take me all night
I can feel the passion in your eyes
I'm still in love with you

You know I can't get enough
I love that shit
You know I can't get enough
You love that shit
You know I can't get enough
Give me all that shit
Can't get enough
You know I can't get enough
I love that shit
You know I can't get enough
You love that shit
You know I can't get enough
Give me all that shit
Can't get enough of you
I'm still in love
With you, boy

I just wanna
I just feel like
Every time I see ya, it's like
Oh, hey

Give me that touchin', teasin'
So good I can't believe it
Don't wanna share with no one else
You're always the one I needed
Don't gotta keep a secret
But I let you keep me to yourself

'Cause, bae, it feels like
Nothing else matters
Is this real life?
Too good to be true
Take me all night
I can feel the passion
In your eyes

I'm still in love with you

You know I can't get enough

I love that shit

You know I can't get enough

You love that shit

You know I can't get enough

Give me all that shit

Can't get enough

You know I can't get enough

I love that shit

You know I can't get enough

You love that shit

You know I can't get enough

Give me all that shit

Can't get enough of you

I'm still in love

With you, boy

I'm still in love

With you, boy (I can't get enough of you)

It's the way you love me, the way you touch me

It's the way you look at me

Can't get enough

Of you, boy
