

# Never Satisfied

Jennifer Lopez

I been tossing and turning  
Oh this hunger is burning  
I need something to feed my soul (oh-oh-oh)  
I race my thoughts to the morning  
I got this need that's growing  
Wake you up just to make me whole (oh-oh-oh)

Your body is heaven and it feels like home (oh-oh-oh)  
And those sweet lips I can never let you go

I'm never satisfied  
Honey my appetite  
Is keeping me up at night  
I'm going crazy for more of your love  
I need you all the time  
You bring me back to life  
I'm going crazy for more of your love

Craving hits every time I leave you  
There ain't nothing else I can do  
I'll follow anywhere you go (oh-oh-oh)

Your body is heaven and it feels like home (oh-oh-oh)  
And those sweet lips I can never let you go

I'm never satisfied  
Honey my appetite  
Is keeping me up at night  
I'm going crazy for more of your love  
I need you all the time  
You bring me back to life  
I'm going crazy for more of your love

One taste is never enough I'm losing my mind  
I can't stop thinking about your sweet love all of the time  
I don't know if I'm gonna make it alone  
Make it alone

I'm never satisfied  
Honey my appetite  
Is keeping me up at night  
I'm going crazy for more of your love  
I need you all the time  
You bring me back to life  
I'm going crazy for more of your love
