

# No Me Ames

Jennifer Lopez

Dime porque lloras  
de felicidad  
y porque te ahogas  
por la soledad  
di porque me tomas  
fuerte asi, mis manos  
y tus pensamientos  
te van llevando

Yo te quiero tanto  
y porque sera  
loco testarudo  
no lo dudes mas  
aunque en el futuro  
haya un muro enorme  
yo no tengo miedo  
quiero enamorarme

No me ames  
porque pienses  
que parezco diferente  
tu no piensas que es lo justo  
ver pasar el tiempo juntos

No me ames  
que comprendo  
la mentira que seria  
Si tu amor no merezco  
no me ames  
mas quedate otro dia

No me ames  
porque estoy perdido  
porque cambie el mundo  
porque es el destino  
porque no se puede  
somos un espejo  
y tu asi serias  
lo que yo de mi reflejo

No me ames  
para estar muriendo  
dentro de una guerra  
llena de arrepentimientos  
No me ames  
para estar en tierra  
quiero alzar el vuelo  
con tu gran amor  
por el azul del cielo

No se que decirte  
esa es la verdad  
si la gente quiere  
sabe lastimar

Tu y yo partiremos  
ellos no se mueven

pero en este cielo  
sola no me dejes

No me dejes, no me dejes  
no me escuches  
si te digo "no me ames"  
no me dejes, no desarmes  
mi corazon con ese "no me ames"

No me ames, te lo ruego  
mi amargura dejame  
sabes bien, que no puedo  
que es inutil  
que siempre te amare

No me ames  
pues te hare sufrir  
con este corazon que  
se lleno de mil inviernos  
no me ames  
para asi olvidarte  
de tus dias grises  
quiero que me ames  
solo por amarme

No me ames  
tu y yo volaremos  
uno con el otro  
y seguiremos siempre juntos  
este amor es como el sol que sale  
tras de la tormenta  
como dos cometas  
en la misma estela

No me ames  
No me ames  
No me ames

No, no me ames  
No me ames  
No me ames  
No me ames

Marc:  
Why are you crying?

Jennifer:  
Because I'm happy

Marc:  
Why are you so choked up?

Jennifer:  
From loneliness

Marc:  
Why are you squeezing  
my hand so tight  
And your mind seems to be wandering

Jennifer:  
I love you so much!

Marc:  
Why?

Jennifer:  
Don't be so hard-headed  
Stop doubting me!  
It doesn't matter what the future holds  
I'm not afraid  
I just want to love you

Marc:  
Don't love me  
because you think I'm different

Jennifer:  
You don't think it's right for us  
to spend this time together?

Marc:  
Don't love me because I know  
what a lie it would be!

Jennifer:  
If you don't think I deserve your love  
then don't love me  
I'm going to stay...

Marc:  
Don't love me because I'm lost  
because I change the world  
because it's destiny  
because this is impossible  
We are like a mirror image of each other  
we are one and the same

Jennifer:  
Don't love me to be dying  
in a war of regret  
Don't love me to hold me back  
I want to rise above  
this love deserves to soar through the sky

Marc:  
I don't know what to say  
That's the truth  
When people want to  
they can really hurt you

Jennifer:  
If you and I part now  
it won't matter to anyone else  
In this big world  
don't leave me all alone

Marc:  
Don't leave me...don't leave me  
Don't listen when I say "don't love me"

Jennifer:  
Don't leave me  
Stop breaking my heart with that  
"Don't love me"

Marc:  
Don't love me, I'm begging you to leave

Jennifer:  
You know very well I can't do that  
It's useless, I'll always love you

Marc:  
Don't love me  
I'll only make you suffer  
my heart has turned cold with this

Jennifer:  
Don't love me  
to run away from your sadness  
I want you to love me  
because you love me

Marc:  
Don't love me  
One day we'll soar with each other  
and be together forever

Jennifer:  
This love is like the sun  
that comes out after a terrible storm

Both:  
Like two comets in the same galaxy

Marc:  
Don't love me

Jennifer:  
Don't love me

Marc:  
Don't love me...
