

## Ben

Jennifer Love Hewitt

Ben, the two of us need to look more  
We both found what we were looking for  
With a friend to call my own  
I'll never be 'alone  
And you my friend will see  
You've got a friend in me  
You, you're not wanted anywhere  
If you ever look behind  
And don't like what you find  
There's something you should know  
You've got a place to go

I use to say  
I am me  
Now its us  
Now its we

Ben, most people would turn you away  
I don't listen to a word they say  
They don't see you as I do  
I wish they would try to  
I'm sure they'd think again  
If they had a friend like Ben  
like Ben-a-friend like Ben
