

Losing Something

Jenny Hval

More than iron, more than lead
More than gold, I need electricity
I need it more than I need the lamb
Or pork, or lettuce, or cucumber

I need it for my dreams
I need it for my dreams
I need it for my dreams
I need it for my dreams
I need it for my dreams

But when I dream, I am alone
And no one's here, ah-ah
And electricity inside
It is what we are
I don't know

Isn't it that I've been losing something?
Isn't it that I've been losing something?
Isn't it that I've been losing something?
Isn't it that I've been losing something?

Isn't it that I've been losing something? (I don't know)
Isn't it that I've been losing something? (I don't know)
Isn't it that I've been losing something? (I don't know)
Isn't it that I've been losing something? (I don't know)

I need it for my dreams
I need it for my dreams
I need it for my dreams
I need it for my dreams
I need it for my dreams
I need it for my dreams
I need it for my dreams
I need it for my dreams
