This is a thirst that resembles me Sparks do find us

How do you smell it?
How do you know?
How do you spell it?
This is a thirst to enter
This is a thirst glazed with honey dew, honey dew

This is a thirst to enter and I enter in This is a thirst that resembles me Sparks do find us, sparks outline us This is a thirst that resembles me Inside I'm glowing

Into the mouth I call...

Honey dew, honey dew Honey dew, honey dew
