

Do Si Do

Jenny Lewis

Turn up the stereo
Till everything rattles, ooh
Life is a disco, a mambo
Put on your day glo

Do si do
Ooh ooh ooh
Do si do

Up in the window
Get back in the saddle, ooh
This ain't no game, no joke
You're on the payroll

Do si do
Ooh ooh ooh
Rock 'n' roll
Ooh ooh ooh
Do si do

Let the grown man cry
It's suicide, my oh my
Powerful minds
And suicide, my oh my

You ain't no pharaoh float
Get back on your Paxil

Do si do
Ooh ooh ooh
You're a pro
Ooh ooh ooh
Do si do

Make the grown man cry
It's suicide, my oh my
Powerful minds
And suicide, my oh my
Powerful minds
And suicide, my oh my

Turn up the stereo
Till everything rattles, ooh
Life is a disco, a mambo
Put on your day glo

Do si do
Ooh ooh ooh
Rock 'n' roll
