Jenny Lewis

One, two, three, four, five, six, seven
Seven, eight, night
Wound up tight way too long, let go
Half the time

If I die, oh Lord
If I die
Leave some glitter on my eye

Sunglasses on, drop top down
Favorite part of your song in town
Favorite part, made it through the dark
Don't look back, have a heart
Make this last, dance tonight
And hold on tight way too long
Wound up right, like a spring
Take a shade, enjoy the scene

If I die, oh Lord
If I die
Leave some glitter on my eye

How's your Instagram these days?
Did you get a lotta action when you had braids?
Looked good on that beach that time near the maze
And the pumpkin, briars, center hanged
Near the park and that couple had it all
Wound up for the photos on the wall

What a lie
What a lie
What a lie
What a lie

Go ahead, try my great baton
Drip my drip with the radio on
Spite on your body, I can turn it down
'Cause me and you both, we share this town
What? You don't like Doug Flutie?
Ever had drop, drop Louie?
Ever seen crate and barrel painting?
Collab orange frame Snoopy
Ever had crate and barrel collab spiegel?
Ever had crate and barrel collab poofy?
Hour drop in Djibouti
Ever had crate and barrel on a beagle or bagel?
Ever had Steve Nas little rock cradle?
