

## Two Young Lovers

Jens Lekman

The botanical gardens are full of newlyweds  
Emma pretends to vomit but Casper looks up and says  
"I wouldn't mind if one day that was you and me"  
Emma kisses his mouth and says, "Over my dead body"

But, oh, pumpkin pie  
I'm gonna love you 'til I die  
It's just scary sometimes  
But 'til death and beyond  
Baby, you're the one I want

The tram screeches like a dying cat flying out of Slottsskogen  
Casper takes out a Sharpie  
And writes on her hand  
"Every day is a summer's day with you, babe"  
There's a guy sitting opposite  
Peeking from under his cap  
Emma whispers to Casper  
"Let's give him something to look at"

Oh, pumpkin pie  
I'm gonna love you 'til I die  
It's just scary sometimes  
But 'til death and beyond  
Baby, you're the one I want

You're the one I want  
You're the one that I want

Emma turns on the TV  
Sees the guy from the tram before  
He's on a late night talk show  
Some kind of troubadour  
They ask him where he gets his stories from  
He says, "Well, just today  
I saw this couple on the tram  
And a story took shape"  
How fragile and bold  
Isn't young love?  
Like skating on a frozen lake  
When it's five above  
Emma turns off the TV  
Looks at Casper yawn  
She knows they're more than some characters  
In some stupid song

She says 'til death  
And beyond  
Baby, you're the one I  
You're the one I want
