

## Colma, CA

Jensen McRae

Have you been to Colma  
Where the dead outnumber the living  
I guess I live there now  
I guess I live there now

Well, gotta put your roots down  
And this is where I'm building  
Where should I hang up my diploma?  
It's great to be alive in Colma

And it ain't half as bad as it might seem  
It's lonely here at night, but the roads are always clean  
And somebody tried to move in down the street  
So I fired blanks into his yard and he was gone the next week

Have you been to Colma  
Where DiMaggio is buried  
I have picnics by his grave  
I have picnics by his grave

I wonder if he liked fame  
What he thought of being married  
To Marilyn and Coca-Cola  
It's great to be alive in Colma

It ain't half as bad as it might seem  
It's lonely here at night, but the roads are always clean  
And somebody tried to move in down the street  
So I fired blanks into his yard and he was gone the next week

Have you been to Colma  
Shy of two thousand people  
Everybody knows their neighbors  
Everybody knows their neighbors

Wanted something greater  
But all things being equal  
No one here can leave me broken  
It's great to be alive in Colma

And it ain't half as bad as it might seem  
It's lonely here at night, but the roads are always clean  
And somebody tried to move in down the street  
So I fired blanks into his yard and he was gone the next week

It's great to be alive in Colma  
It's great to be alive in Colma  
It's great to be alive  
It's great to be alive

It's great to be alive in Colma  
It's great to be alive in Colma  
It's great to be alive  
It's great to be alive
