Practicing in front of the mirror again
Opening my eyes wide
You like it when I make this face
How can I look more vulnerable and innocent
Don't want to look like I tried too hard

You really don't understand a girl's heart
Let me just say it now
Wrap me in your arms, when I feel insecure

I'm dancing on top of your head, you dumb dumb
I'm dancing on top of your head, you dumb dumb
Trying my best to put up a front to impress you
At the end, it's all for you
Dumb dumb dumb
When you look into my eyes, don't think too much
Let's play dumb dumb dumb

Usually can't eat much, I have a small appetite yeah
Can never kill a bug, I'm a scaredy cat

Nah, I ain't got time for that
Tried to act the part and rewind it back
Over and over, show's over, take or leave

It's make love or, make believe

You really don't understand a girl's heart

Let me just say it now

Wrap me in your arms, when I feel insecure

I'm dancing on top of your head, you dumb dumb

I'm dancing on top of your head, you dumb dumb

Trying my best to put up a front to impress you

At the end, it's all for you

Dumb dumb dumb

When you look into my eyes, don't think too much

Let's play dumb dumb dumb

Hey dumb dumb

Knew you'd fall for me, all my plans they're done done

Hey dumb dumb

Even if I don't try now, tell me that I'm the one one

Hey dumb dumb

Knew you'd fall for me, all my plans they're done done

Hey dumb dumb

Even if I don't try now

I'm dancing on top of your head, you dumb dumb
