Christmas presents
Home alone

Opening cards in this late afternoon
Holding on a glass of hot coco in my hand
Three marshmallows floating in my little coco
Make me warm
Maeumi maeumi neomu chuwo

Fire it up, fire it up
Naege bureul jipyeo
Fire it up, fire it up
Oeroun maeum deopeo
Nae yangmal aneneun yangmal aneneun teongteong

Boy, who are you to make me miss you like I do?
Cherish and destroy
You are better off on your own
Noryeokae bwado
Keep crossing my mind 'No'
Make me give you up

You gon' spend a lonely Christmas
Hope it sucks
I hate to admit that you are still my number one

You on the naughty list
I'm on the naughty list
You on the naughty list
No more cookies

You on the naughty list
I'm on the naughty list
Who ate the cookies?
My broken heart did

Yeah, I'm on the naughty list but still got your naughty lips, uh

Baby, it's so cold
Under the mistletoe
Jakbyeori jomcheoreom swipjiga ana
