Oh my my  
I'm falling over you  
So you do what you gotta do

I know I'm all you got to lose

It's because of you  
I end up hating my innocent phone  
Why were you even nice to me  
Am I too good for others but not good enough for you?  
I won't even try to understand

I hate the way you smile at me  
Stop looking at me like that  
Today I can't pretend not to notice  
Now tell me honestly

Just tell me what you waiting for  
Baby I've been waiting for you all this time  
I'm faded every night I'm drunk and wasted

Tell me what you waiting for  
Baby you already know  
Just how I feel about you  
But why you got me doubtin' you  
Tell me who you waiting for

What you waiting for  
If it's not me  
I'm getting upset, miss you right  
Why do your eyes wander when I'm right in front of you  
Think about it  
Answer me  
What are you gonna do about me?

How many nights have I stayed up because of you?  
Why do you pretend not to know? Tell me baby why  
Today I can't pretend to be happy  
Now tell me honestly

Just tell me what you waiting for  
Baby I've been waiting for you all this time  
I'm faded every night I'm drunk and wasted

Tell me what you waiting for  
Baby you already know  
Just how I feel about you  
But why you got me doubtin' you  
Tell me who you waiting for

I'm waiting for love

I dance for only you, too far  
I want you to no end, how badly I need ya

Ring the alarm!

Oh my my  
I'm falling over you  
So tell me what you gonna do  
You know I'm all you got to lose

Oh my my  
I'm falling over you  
So you do what you gotta do  
I know I'm all you got to lose
