Wow!

You never, never ever, don't stop
Also, don't bother listening to what they say
You ready? I've never met nobody
Nobody like you
I can only trust you
Come right to me
Nobody's like you, like, like you

A drive just for the two of us

Open up everything

This is a very wonderful dream

My spontaneous trip

Damn, without hesitation let me drive, I'ma rollin'

Gettin' my kicks on my way, yeah, I'm flyin'

Can I get? Can I get? Can I get you? Come on

Nobody, (Nobody) Would you like to sit next to me? (Ah, ah-ah) Nobody-body, nobody but you (Nobody but you) Nobody, (Nobody) It has to be you (Yeah, hey) The two of us are dazzling, nobody, nobody

One, two, three, four
That's enough
And I can't stop, you must be
It'll probably be crazy good

Zero to sixty
In that short moment
Destiny changes like, like you

A drive just for the two of us
Hurry and open everything
Even if I wake up, it's still a dream
Jump in together, come in
Damn, let me drive without hesitation, I'ma rollin'
Gettin' my kicks on my way, yeah, I'm flyin'
Can I get? Can I get? Can I get you? □□ □
