Oh I know the feeling
Oh Feeling Falling
Oh I know the feeling
Oh Feeling Falling

It's an irony that I've fallen for you
I've never felt this way before

The moment I saw you
Oh no better than this
Both of us went ooh ooh ooh

Beautiful, you're beautiful
Words I saved up for you
I wonder if you how I feel
Wonderful, you're beautiful
You're so pretty
Just thinking about you makes me smile

I know the feeling
Just looking into your eyes, I know
I know the feeling
My lips keep trembling
I've fallen into your heart, I can't get out
Ooh ooh I like you

Oh I know the feeling
Oh Feeling
Falling
Oh I know the feeling
Oh Feeling
Falling

I wanna feel you, right in front of my eyes
I wanna take one step closer to you
But whenever I stand in front of you
My lips go blah blah, I keep stuttering

Even I know I'm not good enough for you
I wanna be cool but it's not easy
Even if it's just in my dreams
I wanna have you by my side and go fiesta fiesta

You know that feeling babe
Want you on my side baby
You know, I know I'm not good enough but
I'm not blind, I'm not blind
I'm only looking at you tonight

Beautiful, you're beautiful
Words I saved up for you
I wonder if you how I feel
Wonderful, you're beautiful
You're so pretty
Just thinking about you makes me smile

I know the feeling
Just looking into your eyes, I know
I know the feeling
My lips keep trembling
I've fallen into your heart, I can't get out
Ooh ooh I like you

I think spring has come to me
Right now, as I'm looking at you
Will you always stay by my side?
I don't wanna miss this opportunity

I know the feeling
Just looking into your eyes, I know
I know the feeling
My lips keep trembling
I've fallen into your heart, I can't get out
Ooh ooh I like you

Oh I know the feeling
Oh Feeling
Falling
Oh I know the feeling
Oh Feeling
Falling
