I wonder at the stars

Again today, again today, I'm looking out the window
Again blankly, blankly, spending another day
I keep thinking about your smile that was so pretty
I couldn't even remember the stars or the moon that night
My heart tickles, as if I'm sick with you

You're my Neverland, do you know how I'm filled with you?
I wonder if you know, I wonder at the stars

Not a single day, single day, can I sleep easily
Thoughts of you, thoughts of you, make me toss and turn all night
I close my eyes, close my eyes, but I can hear your voice
My heart is still lingering near you
I just wanna be with you

You're my Neverland, do you know how I'm filled with you?
I wonder if you know, I wonder at the stars

At our Neverland, I'm waiting for you
I wonder if you know, I wonder at the stars

You're my Neverland, do you know how I'm filled with you?
I wonder if you know, I wonder at the stars

At our Neverland, I'm waiting for you
I wonder if you know, I wonder at the stars
