

sharpie

Jeong Sewoon

Sorry, I'm not sorry
That I called you from the party
But I looked down at my shoes
And saw the heart you drew in Sharpie
Made me think about the nights
We drove my Jeep like a Ferrari
Mm-mm, mm-mm
All I do is think about it

Call, would you call me back?
Since September, I've been sad
I was fine before you came around
Blame, baby, I'm to blame
Can't remember why you changed your mind
I never meant to let you down

Now I'm out at a friend's
Wrote a text that I'm trying not to send
But I can't pretend that
I've been fine without you, so

Sorry, I'm not sorry
That I called you from the party
But I looked down at my shoes
And saw the heart you drew in Sharpie
Made me think about the nights
We drove my Jeep like a Ferrari
Mm-mm, mm-mm
All I do is think about it
Mm-mm, mm-mm
All I do is think about it

I just wonder why
Everything was so perfect
Especially your eyes that night
We talked about a lot of things
That we're gonna do someday
But this isn't one of the things we talked about

Now I'm out at a friend's
Wrote a text that I'm trying not to send
But I can't pretend that
I've been fine without you, so

Sorry, I'm not sorry
That I called you from the party
But I looked down at my shoes
And saw the heart you drew in Sharpie
Made me think about the nights
We drove my Jeep like a Ferrari
Mm-mm, mm-mm
All I do is think about it
Mm-mm, mm-mm
All I do is think about it

Now I'm out at a friend's
Wrote a text that I'm trying not to send

But I can't pretend that
I've been fine without you, so

Sorry, I'm not sorry
That I called you from the party
But I looked down at my shoes
And saw the heart you drew in Sharpie
Made me think about the nights
