

Down Wit That

Jeremih

It's better when you hug me
When it's snowing down
Ain't no fireplace burning
On this side of town
Don't throw salt on 'em
Angels on the ground
Do a little window shopping
Later on downtown

Is you down with that? (doo doo do do doo)
Is you down with that? (doo doo do do doo)
Is you down with that? (doo doo do do doo)
Is you down with that? (doo doo do do doo)
Is you down with that? (doo doo do do doo)

I been saving all year to spend some Ms
If you had a twenty twin, I spend again
She love me when I light the tree
It's the time of year
On her insta taking pics now Michigan
Big ferris wheel like navy pier
Don't you vibe with a nigga
Get that show you right
Take you round Chicago that like where your night
Hit up Chano get you finished with the 309
Imma say that this time around
Feels better with you, yes it's true

It's better when you hug me
When it's snowing down
Ain't no fireplace burning
On this side of town
Don't throw salt on 'em
Angelas on the ground
Do a little window shopping
Later on downtown

Is you down with that? (doo doo do do doo)
Is you down with that? (doo doo do do doo)
Is you down with that? (doo doo do do doo)
Is you down with that? (doo doo do do doo)

Ain't yo momma told you bout inviting all your friends though
Ain't yo bogus uncle busting jokes up on the fam though
Ain't yo tired of standing outside and freezing while the wind blow

Chatham ain't get no gifts
Chatham ain't get no wish
So Chatham gon' take that lick
Pssh, we ain't no bitch!
Ay, throw me through a check with some kids from the south side
We don't get respect on the black or the brown side
Rats in the school, ain't no class in the pool
We gon' act us a fool
Till we have something too!

It's better when you hug me
When it's snowing down
Ain't no fireplace burning
On this side of town

Later on downtown
