Jeremih

Told her Told her, Give her what  
I ain't got no patience I ain't no d o c  
Threw her back up in the air there wasn't no seat  
Why my section starting to look like KOD  
Heart that's yo bitch now why she on me  
We takin shots now after shots now takin threes (swish)  
Start button push ain't no key, I say baby say that pussy free  
Can your pussy do it for my Gs? my niggas  
I know Shawty by the door that's a key  
I hit her up with the pipe, she OD  
Brim low, Gucci Shades  
Michael Jack, shawty bad yeah that's me  
Eyes red off the canada flame  
I got way more hoes than your daddy has  
Pull up on a valet, front door the Bent  
Way you move that don't make no sense

She checkin bags like she bout to trip it  
Shake that ass for a couple digits  
Make a nigga wanna hit or miss it  
Showin' out got everybody attention  
She checkin bags like she bout to trip it  
Shake that ass for a couple digits  
Make a nigga wanna hit or miss it  
Showin' out got everybody attention

Titties jumping while that ass be clapping for me  
She go stupid with the head she goin' dumb  
She a magician always could point out a trick  
We in the bathroom and she always with the shits  
On my Welvin, Who ain't got no bitches?  
Somebody scratch my fingers they be itchin  
No limits, just limited edition  
I ain't tryna wife, I'm tryna mistress  
Yeah Yeah  
This a jungle there's plenty hoes  
You know I gotta wear camouflage  
About three hoes on the microphone, manaj  
Everyday I gotta get it, gotta take care of the squad  
Made up like my lesbians all out in Lebanon

She checkin bags like she bout to trip it  
Shake that ass for a couple digits  
Make a nigga wanna hit or miss it  
Showin' out got everybody attention  
She checkin bags like she bout to trip it  
Shake that ass for a couple digits  
Make a nigga wanna hit or miss it  
Showin' out got everybody attention  
Everybody

Aye man I swear these hoes in here for everybody  
She in my ear like JD afterparty  
What she do to the dick off the molly  
Pourin' up, knuck and buck with everybody  
Had her screaming louder in my Maserati  
Neck and wrist on Slick Rick La Di Da Di

I'm a leave with his bitch probably probably  
Swear I went and bought the ship Harakari  
Know these niggas out here carbon copy
