

Outta Control

Jeremih

Gucci Mane and Jeremih
See you flying too high you a damn lie,
I stay higher than a super-fly
Stay up like vampire.
Tryna lock on like a?
She OC, she crazy.
Shoe game is amazing,
And her bag game is blazing, Gucci
Breezy would've stayed in,
I done flew her in for the weekend.
Can't remember where we began
But I hope that the shit don't end.
She so cool, she bring friends
Matching shoes, Christian Louboutin
She locked, but we spiked out.
Got a courtside seat next to Spike Lee
Kick it everyday like Jet Li
Ten dollar chains like Mr T
She a real freak no mystery
On the bend, on the deck she missing me.
Said her ex boyfriend is history
Beat the pussy up, no sympathy.
On the highway to the drive way
But it's hard to drive
Cause she all over me!

There was a young girl I used to know,
Nobody got the reason? or so,
Addicted to the life sometime she tryna let
it go.
Headed for destruction letting everybody
know.
That she outta control, she's outta
control.
She's outta control
She, she outta control.

What's your name shawty?
Where you from? Up?
You're tryna sell your skin tone,
It 101 light. Like the basketball
We can do this 1 on 1
I gotta love jones, Im Larenz Tate, She Nia
Long
She educated
She need me won't be me long.
Her old boyfriend Jack, cheating on been
beating on her
So now I'm who she calling
She act me, she follow.
Chase my stairs to station?
On my bumble no bass outta control.
Outta control.
Bass outta control.

There was a young girl I used to know,
Nobody got the reason? or so,

Addicted to the life sometime she tryna let
it go.
Headed for destruction letting everybody
know.
That she outta control, she's outta
control.
She's outta control
She, she outta control.

She, she outta control,
She on the Patron,
She tell that she loved me
I said I love you more
I got her in my suite
I said suck my swag.
Call it face time, call it iPad
She'd be running through my mind,
Forty yard dash
I'm the type to buy a new crib in all glass
I'm the type to buy a new car in all cash
Her potato Ima mash
I like girls with big asses (ugggh)

There was a young girl I used to know,
Nobody got the reason? or so,
Addicted to the life sometime she tryna let
it go.
Headed for destruction letting everybody
know.
That she outta control, she's outta
control.
She's outta control
She, she outta control.
