She just want the sauce, all up in her ribs

Won't you do me in my dooli baby?
Move that ass in circles circles circles
Swear that ass been hoola-hoopin' baby
Finger lickin', sweet as creme brulee
Puerto Rican mamis, Cuban linkin'
You know, damn well, yeah
Everytime we get bell-bottoms of the bottom baby
All these comma's accumulating
I don't give a fuck if you and you related
Forrest Gump I'm running, [?] 2 could play it
Four floors in my crib, elevator

She like to get naughty
Be wearing see-through
She like paparazzi
She flashing me tho
That's my mami, mami

Started in the lobby
Ended in the suite though

Diamonds on my arm, cha, cha, cha

Got the work off the clock-clock-clock
Hit 'em with the Tommy, that's my jock
Shittin' on 'em, uh, ca-ca-ca
All these thirsty bitches, more agua
Throwing bread, biscuits
All my jewels up on Dipset
Kisses got me missing on my baby
No wonder they call it Mistress
Home alone, 2 sisters
We goin' though incest
I work you out, big steps
Up and down your body, bench press

Yeah, she call me papi
That's my mamasito
She like to get naughty
Be wearing see-through
She like paparazzi
She flashing me tho
That's my mami, mami
She call papasito

That's my mamasito
Started in the lobby
Ended in the suite though
Yeah, she got the sauce
No necesito
