

# The End

Jeremih

I don't wanna wait  
Your body won't leave me alone  
And I ain't tryna play no games, tonight  
Yeah you know we grown  
We both ain't tryna be alone  
Show me where you got all that from, tonight

Wanna go somewhere, babe  
Make you feel like a little vaycay  
Girl you know you wanna be my bay, bay  
Now she say she wanna have my baby  
We still lighted with my crew, go  
Nothing beat me and you so, low  
I just really wanna see your drop top  
You just want a G all in your G-spot

Oh yeah, oh yeah  
Oh yeah, oh yeah  
She go in there, she go in there  
Man shit getting crazy, hazy  
With a Blasian bad bitch up in Vegas  
Bitch amaze me  
Shake it, I want you shake it, cause it pays you  
Shoutout to your momma 'cause she made you

I ain't tryna be alone  
I ain't tryna go home  
I ain't never seen her before, tonight  
Everything that you do  
Honestly I'm down with for sure  
Tell me where you going after, tonight

Oh yeah, oh yeah  
She go in there, she go in there  
I give my love, I give my love  
She go in there, she go in  
Oh yeah, Oooh yeah  
She coming with, she coming with  
Yo she the one, yeah she the one

I don't understand why these niggas gotta hate (what's up)  
What's a rat to the cat, mongoose to a snake  
You know that they looking for you, you just sit your ass and wait  
But don't do none of that looking like your ass on static  
Pussy nigga you don't want smoke  
You don't want smoke  
He don't want smoke  
You don't want smoke

Yellow diamonds shining when I wake up  
Bad bitch clownin' out in Vegas  
Fuck your designer, yeah, we made it  
Chi-Town, blow, now we major

You don't want smoke  
You don't want smoke

He don't want smoke  
(Hell nah) You don't want smoke
