The Light

Jeremih

Hol' up!
Hitmaka!

Let's have sex, but not without the foreplay (okay cool)
But not without the first date (okay cool)
But not before I have to wonder if you let me hit if I walk you to yo
ur doorway
Let's have sex, but not without the sprees babe (okay cool)
Not without the vacays, no

Ohh, it's the way it goes
And don't this feel right (don't this feel right)
I'm tryna put you in the light (tryna put you in the light)
Ohh, it's the way it goes
I don't say good night (don't say good night)
I'm tryna fuck you on top

Back in the days when I was young, I'm not a kid anymore
But these days I'm thinkin' baby we should fuck again
I'm tryna meet you [?] and try my luck again
All your friends say when you really in love with him?
Started off the Henn', and now I'm on Patron
Had to switch it up, I had to hit your phone
Can you picture us posted on the wall?
Can you picture us posted on the wall?
I put her to sleep, and she woke up like that
Breakfast in bed, I ordered 4 stacks
Bring it to the back, I'm talkin' the big payback
Roll my wood and give her good

Ohh, it's the way it goes
And don't this feel right (don't this feel right)
I'm tryna put you in the light (tryna put you in the light)
Ohh, it's the way it goes
I don't say good night (don't say good night)
I'm tryna fuck you on top

Let's have sex, but not without the foreplay, ooh yeah (okay cool)
But not without the first date, ooh yeah (okay cool)
But not before I have to wonder if you let me hit if I walk you to yo
ur doorway
Let's have sex, but not without the sprees babe, ooh yeah (okay cool)
Not without the vacays, no

Ohh, it's the way it goes
And don't this feel right (don't this feel right)
I'm tryna put you in the light (tryna put you in the light)
Ohh, it's the way it goes
I don't say good night (don't say good night)
I'm tryna fuck you on top (tryna fuck you on top)
Ooh (don't this feel right, I'm tryna put you in the light)
