

## Believe

Jeremy Camp

As I sit here looking at this world  
I see no hope, no sense of care  
We're too caught up in the things of  
This day, not thinking about the end  
It's right around the way  
I know it's hard with that new age idea  
But put your faith in  
God and everything will come clear  
Take a look at yourself are you  
Really doing fine or are you caught  
Up in a trap doing time?

Why don't you believe in Jesus  
Why don't you put your faith in Him  
Why don't you believe in Jesus  
Why don't you put your trust in Him

The circumstance is very clear  
How morale has come undone  
The only hope is Jesus  
The Father's only son  
The time is drawing near  
For all men to decide  
So put your doubts and swallow your pride

Why don't you believe in Jesus  
Why don't you put your faith in Him  
Why don't you believe in Jesus  
Why don't you put your trust in Him  
Why don't you, Why don't you, Why don't you

Why don't you believe in Jesus  
Why don't you put your faith in Him  
Why don't you believe in Jesus  
Why don't you put your trust in Him
