

# Breaking My Fall

Jeremy Camp

So easily I fall, So easily you reach your hand out,  
Quickly will I drown, Know the pulls of all my reason,  
So easily will I feel, So easily will your peace surpass me,  
Quickly will I trust in anything I think is worthy,  
How many times you make the waves calm down,  
So I wont be afraid now ?

I saw you breaking my, breaking my fall,  
What am I supposed to do ?  
I saw you breaking my, breaking my fall,  
What am I suppose to do ?  
(What am I suppose to do?)

How precious are your thoughts ?  
(How precious are your thoughts?)  
The many that you think about me,  
Faithful are your ways,  
I always feel your grace abounding,  
Quickly will I call,  
Quickly will you answer my cry,  
Carefully will you bring, everything I need in my life,  
How many of times you make the waves calm down,  
So I wont be afraid now

I saw you breaking my, breaking my fall,  
What am I supposed to do ?  
I saw you breaking my, breaking my fall,  
What am I supposed to do ?  
(What am I supposed to do?)

This narrow road I'm walking,  
This world will try to draw,  
The Word will help me fight it  
With you I'll face it all yeah,

I saw you breaking my, breaking my fall,  
What am I supposed to do ?  
I saw you breaking my, breaking my fall,  
What am I supposed to do ?  
(What am I supposed to do?)
