Hallelujah the King has come Beautiful Saviour God's own Son Hallelujah the Christ is here So rejoice for our salvation's near

Emmanuel, our humble King
We give you our hearts as an offering
You laid down your crown
And became as dust
Emmanuel, God with us

Hallelujah the angels sang To certain poor shepherds in fields where they lay Hallelujah the world will see The fullness of His majesty

Emmanuel, our humble King
We give you our hearts as an offering
You laid down your crown
And became as dust
Emmanuel, God with us

Oh come all ye faithful our God is here Joyful triumphant salvation's near Oh come and behold our King Come and behold Him

Emmanuel, our humble King
We give you our hearts as an offering
You laid down your crown
And became as dust
Emmanuel, Emmanuel
God with us
